E GOVERNANCE POLICY

Objectives:

1. To implement E-governance in various functions.
2. To promote accountability and transparency.
3. To accomplish paperless administration in the institution.
4. Promoting online internal and external communication among the members of the institution, providing easy access to information.

Policy:

The institution is provided easy and efficient system of e-governance and it is decided to implement e-governance in all activities. The institution has already implemented e-governance in various departments like library, accounts, etc. but now we have decided to implement e-governance in some other areas like website.
