1	HEI is requested to kindly note that the multiple counting of the same student with same enrollment for the same academic year should be counted as one. Please relook and provide the correct revise data.	We acknowledge that the same student with the same enrollment for the same academic year should only be counted once. We have carefully reviewed the data, relooked at the entries, and have revised the data accordingly. The updated data now reflects accurate counting where each student is listed only once for the respective academic year.	EDVV.1.1.1.pdf (drkist.edu.in)
2	Please provide the Year wise and program-wise list of students approved by the affiliating University for the last five years, on the letter head of the HEI, with the seal and signed by the head of the institute.	We have prepared and provided the year-wise and program-wise list of students approved by the affiliating University for the last five years. This list is on the official letterhead of the HEI, sealed, and signed by the head of the institution to ensure its authenticity and compliance with NAAC guidelines.	EDVV.1.1.2.pdf (drkist.edu.in)

3	Please provide appropriate link to the admission approval documents received from the university for assessment period.	We are submitting the appropriate link to the admission approval documents received from the affiliating University for the assessment period. This link provides easy access to all the required documents, ensuring transparency and validation.	EDVV.1.1.3.pdf (drkist.edu.in)
4	Kindly note to include the total number of students on rolls across all the programs (consider 1st, 2nd , 3rd years etc., of each program) for all the assessment period years.	We confirm that the data provided includes the total number of students on rolls across all programs (1st, 2nd, 3rd years, etc.) for all the assessment period years. The numbers accurately reflect the student population year-wise, aligning with the data submission standards.	EDVV.1.1.4.pdf (drkist.edu.in)
5	Kindly consider only the students on the rolls during the odd semesters if the program is of semester scheme.	We acknowledge that only students enrolled during the odd semesters should be considered, as per the semester scheme. We have rechecked the data, ensuring that only the students on rolls during the odd semesters are counted. The revised data reflects this clarification and is now updated to accurately represent the student count for the relevant academic years.	EDVV.1.1.5.pdf (drkist.edu.in)
